

# PLTR-01

## — ELEVATING WORK PLATFORM

Elevating work platforms allow the workers to adjust the operating height; this provides the workers an ergonomic access to the carcasses, regardless of the parts being worked and the type of animal.

- Built in stainless steel
- Hydraulic or pneumatic cylinder
- Non-slip floor
- Safety device

### AVAILABLE OPTIONS:

- Sink
- Shower
- Sterilizer
- Assorted sizes
- Hand or foot control
