

# TDMO-01

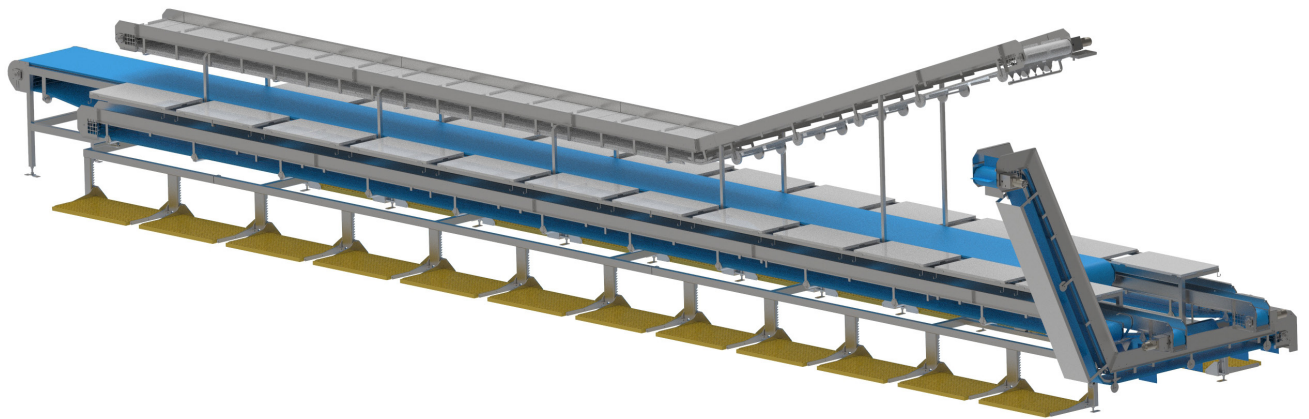

## — MOTORIZED DEBONING TABLE

Lacal's deboning tables are suitable for all animal species and offer good ergonomics to the workers while being safe and easy to clean. The products are transported by intermediate conveyors to eliminate the handling of bins, which increases productivity.

- Built with 304 or 316 stainless steel
- Electric or hydraulic motor
- Control panel
- Finish depending on the use
- Maximum safety and sanitation

### AVAILABLE OPTIONS:

- Exit chute
- Custom sizes
- Full Automation
- Support structure
